

Your perfect partner
from the UK across the world

Instrument Catalogue 2025

A global brand, **Perfection Plus** products are available in over 50 countries across the world with continuous expansion of our distribution network.

All our products are manufactured to the highest quality and supported by an established Quality Management System ensuring full compliance to European and UK Medical Device Regulation.

Our goal is to ensure that **Perfection Plus** is your number one choice for quality, value driven products that you and your team can rely on time after time. We pride ourselves on offering personalised, bespoke customer service to maximise all opportunities for growth and expansion in your market.

Our range is continuously developing and expanding to ensure we can meet both your needs today and in the future.

This catalogue is a representation of our most popular patterns. We can personalise the range and manufacture other patterns upon request, bespoke etch marking is also available.

You can count on **Perfection Plus** to be your Perfect Partner!

Instrument Trays & Cassettes	18

Perfection Plus Environmental Commitment

Perfection Plus recognises the importance of sustainability and protecting the environment. We are working with all suppliers to ensure the manufacturing processes are sustainable, and the environmental impact is as limited as possible.

As part of this commitment, we use recycled materials in our product packaging wherever possible.

We also ensure that our product packaging is fully recyclable providing that it does not have a detrimental effect on the integrity or quality of the product.

We are currently working towards obtaining external accreditation to ensure we continue to work towards and deliver upon our goals.

Perfection Plus Ltd, will replace any of their hand-held instrument range where deviations in performance resulting from proven deficiencies in the materials and/or manufacturing processes, occur within 5-years for forceps, 3-years for elevators and 2-years for all other hand and ancillary instruments, commencing from date of purchase.

This warranty is void, however, in the event that the damage caused results from the improper use, handling and storage of the instrument, and where discolouration and/or corrosion has resulted in a failure to adhere to the Perfection Plus reprocessing instructions.

ErgoPLUS

Premium range of Deluxe 9.5mm round hollow handled instruments designed for superior ergonomics and comfort.

The range of Scalers and curettes are manufactured with premium "stay sharp" material for optimum strength and sharpness.

The lightweight handle helps minimise user fatigue, reducing potential strain and injury.

2-year warranty.

Extraction Forceps

Deluxe Forceps

Perfection Plus Deluxe Forceps are manufactured from AISI420. This high grade Stainless Steel delivers the perfect balance between aesthetic and corrosion resistance whilst the knurling on the handle provides a positive grip for optimum control.

The dentition diagrams illustrate the appropriate pattern to tooth relationship.

The dentition diagrams illustrate the appropriate pattern to tooth relationship.

Protect+ Self-Seal Sterilisation Pouches

Easy to open pouches with triple seal end for extra protection

- All individual Protect+ Self-Seal Sterilisation Pouches contain a sign and date area for an easy auditing process
- Manufactured from 60g medical weight sterile packaging paper and transparent blue PET/PP-plastic composite laminate film
- Both paper and plastic are fully recyclable, refer to local/national recycling regulations
- Colour change confirms sterilisation
- Strong Triple Seal to prevent contamination

Packs of 200
